**Los Angeles, CA – January 2, 2017 – dms-service llc**, a business specializing in, Holter Monitoring, received national certification as a Women’s Business Enterprise and as a Woman Owned Small Business by the Women’s Business Enterprise Council-West, a regional certifying partner of the Women’s Business Enterprise National Council (WBENC).

WBENC’s national standard of certification implemented by the Women’s Business Enterprise Council-West is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.
